RE. *Norman v. Fordwash Partners LLC, et al.*  
22cv9881 (JLR)(JEW)

Dear Magistrate Judge Willis:

I represent the plaintiff, Kimmarie Norman ("Plaintiff"), in the above referenced action and submit this joint letter motion, together with counsel for Defendants Fordwash Partners LLC and Benton Heights LLC, Lewis Goldberg, to request a 30-day extension of time to file the proposed Case Management Plan ("CMP"), which is due on April 6, 2023, and an adjournment of the initial conference scheduled for April 13, 2023.

Presently, Parties have exchanged a settlement demand and are engaging in settlement discussions. We are optimistic that we shall resolve this action without the need for discovery. Consequently, we propose a four-week extension of time to file the proposed CMP, and a corresponding four-week adjournment of the initial conference. The additional time will give parties an opportunity to attempt to find a mutual resolution to this action.

In an effort to determine an adjourned date, parties identify the following dates where all counsel are available: May 8, 2023, May 10, 2023, May 12, 2023 after 12 PM, and May 15, 2023. Alternatively, we respectfully request parties submit a status letter to the court by April 12, 2018.

Thank you very much for your consideration and are available to address any questions the court may have.
